NEW! Updating your Résumé for Today's Online Job Search

Tara Thom Burnett, Employment Facilitator

Tuesday, November 19 at 11:00 a.m. Pacific (2:00 p.m. Eastern)

Much has changed in the world of job search over the past twenty years, and this is largely attributed to our **reliance on technology** in the 21st century. Gone are the days of presenting your résumé in person. Often your only chance to make a good first impression is through a digitally-transmitted application. Given the competitive nature of the job market, where 200 applicants typically apply for the same job, **how do you make your résumé stand out**, catch the attention of employers, and get shortlisted? Presented by Tara Thom Burnett, Employment Facilitator, this

webinar will give you the **tools necessary** to build the résumé you need for today's job search. Come prepared with all your questions about resumes. Tara will be on hand to share her expertise with you!
