Work at Make A Change Canada

Work online from home and make a difference in the lives of others!

Make A Change Canada's focus is to provide the highest quality programs and services in entrepreneurship and web development to Canadians facing challenges to employment. It is this passion and dedication to client support that drives members of our service team to skillfully guide Canadians from coast to coast to realize their full potential.

Required experience includes prior service to underserved populations, experience in business or entrepreneurship, and an understanding of labour market conditions. Additional core competencies we seek in applicants include strong technical, collaborative, and business communication skills, along with excellence in customer service.

Do you have what it takes?
