Statistics suggest that over **80 percent** of job vacancies are **never advertised**. This means you need to go beyond the regular job boards and online job listings to find your next opportunity. Accessing the hidden job market requires tactics such as networking and research. **So where do you start?** In this session, Tara Thom Burnett, who has worked extensively as an **employment services professional**, will provide tips on how to access these "**hidden**" jobs and increase your chances of finding the work you really want!
