

## How to Help

There are many ways to partner. We believe that when individuals and organizations team together, we can provide all the support necessary to help Canadians overcome their employment barriers and realize their dreams. Let's talk soon!

### Hire a Graduate

We can help connect you with candidates who have the core skills and potential that will help you diversify your workforce. Let's talk.

---

### Volunteer with us

**We've always got something on the go! Ask us where you or your team can help out.**

---

### Become an Instructor

**Do you have expertise in the skills we teach? Come on board!**

---

### Become a Tech Dragon

**Are you a tech leader or innovator? Consider joining our panel of judges as a fun way to support the work of graduates in our annual Dragon's Den style website competition.**

---

### Become a Board Member

**Consider serving on our board of directors and contributing to the future direction of our organization.**

---

**Partner in our Social Enterprise**

**Help support us in creating meaningful job opportunities for all Canadians. Follow on Facebook and Twitter @FireNuggetsCA.**

---

**Spread the Word**

**Like what we do? Tell others about us. Link to us!**
